STATE MISSION

This report was read by Bro. E. L. Salley, discussed by Bro. E. L. Salley and was adopted.

1. Church Building and Church Extension Support.

The amount appropriated for church building purposes for this year is \$27,000. The number of churches being assisted from this fund is 49. Of this number 21 are town churches and 28 are country churches. This is by far the largest appropriation that has ever been made for church extension work by our State Board.

Surely we have reason for abundant thanksgiving to God for his marvelous favor upon the work of our Home Mission

Board.

It is our one great Southwide missionary agency and has been the greatest single factor in the helping to make the South a mighty Baptist empire.

While Southern Baptists have made mighty progress, there are greater needs and vaster opportunities at present than ever before in our history.

There are millions of lost souls whom we must reach and our people must be enlisted in all our denominational life and activities.

Our Home Mission Board is heavily in debt on account of the great enlargement of the work and the falling off in receipts due largely to the deflation in prices in general.

The last report of the Board states, that if we raise \$75,000,000 by the close of the Seventy-Five Million Campaign and the Home Board receives its due proportion, the Board's debt can be paid and the Board's work increased fifty per cent over its present appropriations.

Let us come to the help of this great work and all our other interests as well.

FOREIGN MISSIONS

This report was read by Bro. L. F. Dorroh, discussed by Bro. L. F. Dorroh and was adopted.

Our Foreign Mission work grows. We have now 891 churches in sixteen foreign lands; 211 or practically one-fourth of these churches are self-supporting; 442 or one half have their houses of worship. In addition to the churches there are 2,896 outstations which give us a total of practically 4,000 stations where the Word of God is preached regularly. Last year was the crowning year in baptisms, 12,611 were baptized, which is 4,720 more than reported the year before. We have 103,328 members. These gave \$4,23 per capita last year. We have 796 schools which were attended last year by 32,789 scholars. This is about equal to the number of students in our Baptist Schools in Southland.

There were 1,447 Sunday Schools, which had an enrollment of 67,407.

We have now 501 foreign missionaries and 2,820 native

PROCEEDINGS EIGHTY-EIGHTH SESSION

missionaries. This is almost twice as many foreign missionaries and almost four times as many native missionaries as we had in 1919 at the beginning of the 75 Million Campaign.

The board reported a debt of \$403,000 at the last Southern Baptist Convention. There has been no disposition to criticise the Board because everybody has realized that the Board has been very conservative in making appropriations. It has appropriated only a little above one-half of the amount that was proposed for it in the 75 Million Campaign.

The Board at its June meeting appointed forty eight new missionaries who in the early fall of this year will go to their fields.

The practical suggestion for everybody to take to heart at this critical time when the Board is burdened with debt, overwhelmed by the growth of the work, and appalled by vast unmet needs, is that every one should do his utmost to pay his 75 Million Campaign pledge in full this year. If these pledges are paid fully, the Board can pay its debts, support the missionaries and provide for many, many more distressing needs. The simple solution of our present situation is the payment of our 75 Million Campaign pledges. This is the biggest need for Foreign Missions this year. Now is the time to go forward.

J. F. Dorrah.

75 MILLION CAMPAIGN

This report was read by Bro. N. A. Edmonds, discussed by Bro. N. A. Edmonds, Bro. T. W. Green, Bro. J. R. G. Hewlet and adopted.

THE 75 MILLION CAMPAIGN

The most imperative business of Southern Baptists at this hour is to bring to a final and glorious triumph the 75 Million Campaign. God meant for us to win when His Divine Spirit inaugurated in our hearts in May 1919, this large movement. He is on our side. We must win. We have raised in cash from May, 1919 to May, 1923, \$44,003,005.70. This leaves to be raised in a short period \$30,996,994,30. This is a big task. It is a challenging undertaking. It is not an impossible task.

ZION BAPTIST ASSOCIATION

Baptists have the money. We have the leadership. We have the organization. We have the promises of God. We have been immersed and overwhelmed by His approving blessings. He holds out to us unspeakably great, enlarging and opening opportunities of service.

The question is, will we win; have we the will to win; will our leaders lead, will our Baptist line hold; will we face the big problem with the same determination that characterized the French at Verdun when Petain said, and his heroic soldiers joined in the chorus, "They shall not pass?" Will Southern Baptists say, "At the cost of our lives, we can win, we must win, and by the grace of God we will win?" Nothing short of 75 million dollars by the end of the Campaign will satisfy the Baptist name, save the Baptist causes, make secure the Baptist credit, preserve our Baptist morale, cement our growing unity, and leave us in the most hopeful situation as we face the future problems and hear the call of future fields. We can win; we must win; by the grace of God let's go in to win!

Respectfully submitted:
N. A. Edmonds, O. C. Leigh.

ORPHANAGE

This report was read by Bro. P. W. Moreland, discussed by Bro. P. W. Moreland and Bro. J. R. G. Hewlet and adopted.

Report on Baptist Orphanage — Jackson, Miss. J. R. Carter, Superintendent.

The efforts put forth by Christian people in saving and training children are the most effective for citizenship and for kingdom building.

We should give more adequate support both financial and moral to all the child welfare agencies that are working for the betterment of neglected children.

We feel that much has been done through the efforts of our Baptist orphanage, and commend it and its work to the prayerful consideration and support of our churches and Sunday schools. We would urge that through the remainder of our present program (the 75 million campaign) our people

PROCEEDINGS EIGHTY-EIGHTH SESSION

seek to redeem their pledges and thus take care of the orphanage, and all other objects fostered by our denominations. More than a thousand children have been cared for and trained by our Baptist Orphanage and have gone out to take their places in society, and in our kingdom work.

Less than one per cent of this number has become a menace to society, or made shipwreck of life.

We have had an average in our orphanage during the year, of 170. We learn from our management that the health of the children has been good, and that their efforts have been attended with a good degree of prosperity and success. We would urge the loyalty and hearty cooperation of all of our people that all the needs of the institution may be provided for.

Respectfully submitted,

P. W. Moreland.

CHRISTAIN EDUCATION

This report was read by Bro. J. B. Middleton, discussed by Bro. J. B. Middleton, J. W. Hicks and D. Mixon and adopted.

CHRISTAIN EDUCATION

To educate really means to prepare to live. It means to draw out that, that is within, to impart knowledge and then train the thing to be educated until it can make practical use of the knowledge imparted.

Christain education is next to the greatest need of this generation. Of course we all agree that the first and greatest need is regeneration. Then the babe in Christ needs teaching and training so that it will be of service to Him.

This education should begin in the home; where the foundation of great lives is almost always laid. And after the foundation is laid, we should be very cautious as to the kind of material put into the structure.

We feel that great care should be taken in the selection of teachers for the public school. It is our honest opinion that a person who is not a christain should not be allowed to teach in the public school.

Southern Baptist, along with other evangelical denominations have seen the necessity of having high schools and col-

PROCEEDINGS EIGHTY-EIGHTH SESSION

leges in which their children can be educated under christian influence. Which has proved to be a great success in many ways.

Mississippi Baptist own four colleges for the education of their young people of which we are proud.

Mississippi College located at Clinton has been admitted into the Southern Association of colleges as a standard college. A diploma from Mississippi College now means as much as a diploma from the University of Mississippi plus the christain influence which is inestimable.

Clark College located at Newton is a Junior College for both boys and girls, and is doing great good for the whole state, especially that part in which it is located. We owe our co-operation to Bro. McLaren, its president and the institution.

Blue Mountain College and the Woman's College at Hattiesburg are on the approved list and will be standard when they have the required endowment.

Nearly all the schools are filled to their capacity,

MINISTERIAL EDUCATION

This report was read by Bro. Joel Dorrah, discussed by Bro. Joel Dorrah, N. A. Edmonds, J. W. Hicks, J. B. Middleton and J. W. Eidson and was adopted.

The hour having arrived Rev. N. A. Edmonds preached the doctrinal sermon. Scripture reading 1st Cor., 3rd Chapter and Matthew 7th chapter. Text: "For other foundation can no man lay than that is laid, which is Jesus Christ" 1st Cor. 3rd chapter 11th verse.

The Association adjourned for dinner. Prayer by Bro. W. T. McQuery.

I, your committee beg leave to make the following report. One of the greatest needs today is a better educated ministry. We are glad to report more interest today than has ever been known on this important subject. There is a small per cent of our 75 Million Campiagn Fund which goes for this cause. Then our brethren and sisters are making spiritual gifts to this cause. We have five or six young men needing schooling who belong to our association. Those men are doing good

work at present but could do much better if they were better educated. May God impress our hearts to do more for them than ever before.

PERIODICALS

This report was read by Bro. N. A. Edmonds, discussed by Bro. N. A. Edmonds and adopted.

PERIODICALS

This is a reading age, and if we do not read the best we will find great harm coming from the reading that we do. Baptist have at their command the best periodicals that any people of any age have been blessed with, and we should avail ourselves of them. We urge that our people leave off the harmful literature that they take because it is "cheap", and take only that which is helpful to them.

The Baptist Record, is published at Jackson, Miss., is our state paper and should be taken and read by every Baptist in the state. The price is \$2.00 per year. The Home and Foreign Fields, published at Nashville, Tenn., is our Missionary periodical and costs \$1.00 per year. It is published monthly. Never was so much valuable and indispensable information available at that price. Our people should take the Orphange Gem, published at Jackson, Miss. It is fine for the children to read.

Respectfully submitted, N. A. Edmonds.

The committee on nominations submitted the following report which was adopted.

SUNDAY SCHOOLS

This report was read by Bro. S. F. Adams, discussed by S. F. Adams, J. W. Eidson, W. L. Bridges, W. T. McQuery.

SUNDAY SCHOOLS

Second to preaching "The Word" is teaching "The Word" Jesus taught in the temple and the apostles taught in the synagogues. Under the law and under the grace God has always had teachers of his word.

We believe that one cause of the condition of our churches is that the interest in Sunday school work is on the wane. Of the twenty churches in the Zion Association only nine report Sunday schools. Of the 3,000 church members in the Association, only about 600 ever attend Sunday school. This is a deplorable condition. I am glad that the Association has decided to have a "Zion Baptist Sunday School Convention" next spring. Let's all pull for a greater interest in Sunday schools by giving our time, our money, and our prayers to the cause. If we do this God will give the results.

Since last report we have treated 1671 patients, 210 free patients. There are 25 splendid young women in the hospital preparing themselves for the high calling of nursing the sick. Our especial needs at this time are sheets, towels and pillow cases.

The work of this hospital has increased greatly in 1923. Patients admitted up to date 5399 in all, 488 of which were treated free.

In the laboratories there were 7615 examinations made.

The X-ray department did 1506 treatments and pictures.

The expenditures of the hospital for the first 6 mo. of 1923 was \$265,641.31 of this amt \$47,485.86 was paid for charity. 47 Pupils were admitted to the training school, and 16 graduated.

The bonded indebtedness on the account of building and equipment is 240,000.00. May the Lord ever bless the work of caring for the sick and stimulate his people to do his bidding as to the support of the kingdom work in general.

DISCIPLINE

This report was read by S. F. Adams, discussed by S. F. Adams, J. W. Hicks, L. F. Dorrah, D. Mixon, J. R. Clanton J. B. Middleton and was adopted.

Webster says the meaning of the word discipline as a verb is to educate, correct, punish. God has in all ages laid down laws for the government of his people and demanded them to keep them and when they broke his laws he always punished them.

A home, a school, a church or a nation without discipline is a failure

I believe that the cause of the condition of the church today is that there is no discipline in our churches.

You can not tell the average church member from the sin-

PROCEEDINGS EIGHTY-EIGHTH SESSION

ner by his every day walk and talk.

Jesus said: "It is written my house shall be called a house of prayer, but ye have made it a den of thieves.

I believe the best thing that could be done for the church today would be to require every member to walk the straight and narrow path as laid down by the New Testament and when they get out of this way to have them to give an account of themselves to the church.

Of course it would leave us with fewer members, but then the world could truly say "That church is a house of prayer and a home for God's people on this earth."

Respectfully submitted,

S. F. Adams.
